Spring Performance 2024

RELEVÉ SENIORS

FAITH BLAMER

“Hello! I am attending FIT in New York City this winter to study Fashion Business Management. I started my journey with dance at the age of 4. I would have to say my favorite genre of dance is contemporary/lyrical. I have been dancing at Relevé since the start, but my freshmen year I joined the Relevé Performance team. My favorite dance memory would have to be competing my first solo. I remember how nervous and excited I was to compete for the first time:)”

NATALIE CONNERS

“Hi! I will be attending Taylor University in the fall to study Psychology. I started dancing at Releve when I was six years old, and fell in love with it. I have been able to try many styles of dance over the years, but my all time favorite has been contemporary. I have been on Releve Performance Team for 5 years, and cannot wait to watch these girls on the current team grow. My favorite part of dance has been going through the many BIG moments of life with these people whom I love. I will continue loving and believing in you all <3”

BECKI GOMEZ

“I have been dancing with Releve since I was 5 years old doing twirl and tumble classes. I'm so amazed at and thankful to have seen how this studio has grown since then and I am so excited to watch what is yet to come. I joined Releve's performance team this year to try something new with my last year dancing in Whitehall. In the fall, I plan to head up to Marquette and attend Northern Michigan University to pursue a degree in art and design. I'm hoping to become a children's book illustrator and maybe even get together with Miss Abby and do some artwork for her and the studio. Much love for all the parents/families, women, young ladies, boys, and children that are a part of this studio.”

CHLOE JENSEN

“Hi, I'm Chloe Jensen! I have been dancing at Relevé for 15 years. I have participated in multiple classes throughout my life and have competed on a performance team for seven years. My favorite memory while dancing at Relevé is performing on the Disney World stage in both 2018 and 2023! I am so happy that I've been able to spend the majority of my life dancing with my best friends and learning from my role models Miss Abby, Miss Lauren, and Miss Lindsay. Dance has taught me the importance of kindness, patience, confidence, and determination. This fall, I will be studying psychology on a pre-med track at the University of Michigan. I hope to join academic and dance clubs while at college and am excited to see where this journey will lead me!”

EMILY MAKIN

“Hey everyone! I'm Emily and I have been dancing for 6 years, the past 4 at Relevé. I have been competing on the Relevé performance teams since my sophomore year. I recently graduated from Fremont High School, earning academic honors and participating in the Executive Leadership Council and the National Honors Society. This fall, I will be heading to Northern Michigan University in Marquette Michigan. I will be attending undecided for my first year with a top interest right now in Pediatric Physical Therapy. My favorite dance memory is the first parade I participated in which was the 4th of July parade 2 years ago. I will continue dancing in college by taking dance classes for fun whenever I can.”

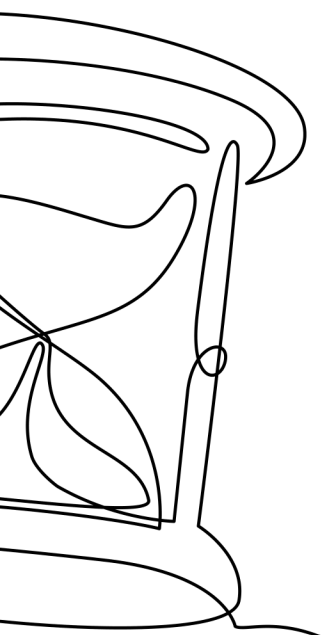

ISABELLE MUSK

“Hi! I’m Isabelle Musk! I have danced at Relevé Dance Studio for 14 years and have been on the Relevé Performance Team for 5 years. I will be attending Boston Conservatory at Berklee College of Music in the fall to obtain my BFA in Commercial Dance and a Minor in Creative Entrepreneurship. My biggest dream is to be a Rockette while working as a professional in the dance industry, and eventually teach at my very own studio. My favorite styles of dance include contemporary, jazz funk, and hip hop. I will forever cherish every second I’ve have had to teach and spend time with the younger girls, but also all the backstage moments of hugs and hand squeezes with my girls. I owe so much to Miss Abby, Miss Lauren, and Miss Lindsey for shaping me into not only a dancer, but most importantly the person I am today. Relevé will forever be my home.”

EMILY SCHWARZ

“Hello!! I’m Emily Schwarz and in the fall I will be attending the University of Michigan to pursue a Bachelor of Fine Arts in Dance and a minor in Business or Performing Arts Management and Entrepreneurship. I have been dancing since I was three years old and have danced many styles. My favorite however is probably contemporary. I have been a member of the Relevé Performance Team for five years and have loved seeing the team grow each year! My favorite dance memory is winning third place at Dancemakers for Isabelle and I’s duet this year. We were so excited we sprinted from opposite sides of the convention hall to hug each other and accept our award on stage together :)”

You don’t need to move at such a rushed pace.

There are flowers worth stopping to smell along the way.

And strangers worth talking to about their day.

Don’t forget to look up every now and then to enjoy all the things in this present moment.
